Start Creating Questions in Minutes

Ideal for harvesting assessment content from globally dispersed subject matter experts

What is Questionmark Live?

Questionmark Live lets you easily write questions and then export them for use in Questionmark Perception. Subject matter experts (SMEs) can access this powerful authoring tool anytime, anywhere. This Web-based application is available free of charge to all Questionmark Software Support Plan customers.

Up-and-running in Minutes

Questionmark Live combines ease of use and speed to success to provide a powerful content harvesting tool that allows SMEs to:

- Create an unlimited number of questions
- Choose from 10 different commonly-used question types
- Add images, links, feedback and more
- Share question sets with other Questionmark Live authors for review and editing.
- View a question's full revision history, compare revisions, and roll back to a previous version
